Headteacher – Mr Jonty Archibald

22nd September 2025

Dear Parent/Carer,

Strode College Experience Day – 12th November 2025

As part of our commitment to ensuring that students make informed choices regarding their post-16 options, we are offering students who are interested in going to Strode College the chance to visit for a taster day. This is a chance for Y11 students to get a taste of courses including A levels, vocational courses, T-levels and apprenticeships. They will also get a feel for college life and have a chance to look around. **We would ask that only students interested in this college go to this taster day.** Attendance in school is expected for those that choose not to attend, and lessons will run as normal. Students do not need to wear school uniform, but appropriate clothing for a school visit and comfortable footwear is required on the day.

There will be no cost for this trip. We will be leaving King Arthur's by 8.30 am and returning by 3pm in time to access school transport if required. Consent should be made online through WisePay via the school website by **Friday 17th October**. We will not be adding extra students after this date.

If you need help logging into WisePay please contact us via email trips@kingarthurs.org.uk. Details of the school's travel insurance policy can be found in the 'trips and visits' area of WisePay.

If your child may need to take medication (e.g. EpiPen, insulin, Concerta etc) during the trip or visit, please ensure they bring this with them on the day. It is your responsibility as the parent to ensure the medication is clearly labelled with your child's name, dosage and timings required and is handed to the trip leader. Please notify the trip leader if the medication needs to be administered by a trained member of staff. We have been advised by the school nurse that students with EpiPens should have at least two EpiPens on any school trip, one on their person and one to be handed in to the trip leader. If they do not have two EpiPens, they will not be able to go on the trip.

If you have any further queries, please email hayley.andrews@kingarthurs.org.uk

Kind Regards,

Hayley Andrews
Senior Assistant Head
