Dear Parent/Carer,

Year 7 Parents Evening Thursday 16th October and essential information about how to book your appointments

We would like to invite all parents/carers to their child's first Parents Evening at King Arthur's School on Thursday 16th October. This will be an opportunity for you to meet your child's tutor and discuss their transition to King Arthur's and how they are performing so far at school. It is essential that all students are represented by a parent/carers, and we ask that students are also present during the evening. We are certain that your involvement and support make a difference to student success, both academically and emotionally.

Appointments can be made between 3.30 – 6.30pm and are of five minutes in length. Appointments can be made from 12 noon on Thursday 25th September and bookings will close on Wednesday 15th October at 12 noon. Appointments can be made by following this link <https://kingarthurs.schoolcloud.co.uk/>

We strongly believe that if parents/carers are aware of the aspects of learning and behaviour for learning that students need to focus upon, along with the resources they have to assist their progress, they will have a much greater chance of achieving. With this in mind, any parent/carers who are unable to attend will be requested to come into school within a few weeks after the evening and meet with a member of staff to discuss the progress of your child.

Over the course of the coming weeks, you may receive a call from a key stakeholder at school to ensure that you are fully supported in being able to attend this event.

Should you have any queries please contact the school office via office@kingarthurs.org.uk.

Yours faithfully,

Vicki Cornish
Head of Year 7
